ANN: 이제 시작하겠습니다.

1번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: So, Carol, are you ready to go now?

W: Dad, wait a second please. I just need to pack a few more things.

M: All right. I'll wait, but you'd better hurry up. There's not much time left until the bus arrives.

W: _____

2번 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

W: Matt, have you decided what club you want to join?

M: Not yet. I'm thinking of joining either the webtoon club or the photography club.

W: The webtoon club is only for first graders. Second graders like us are not able to join that club.

M: _____

3번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Honey, could you go buy a bag of flour?

W: A bag of flour? Sure. But I think there should be some flour left on the upper shelf.

M: There is only a little left. We need more for dinner this evening.

W: _____

4번 다음을 듣고, 여자가 하는 말의 주제로 가장 적절한 것을 고르시오.

W: Hello, listeners. Welcome to *One-Minute Insights*. Did you know that walking is good not only for your body but also for creative thinking? Take Steve Jobs as an example. He was known to hold meetings while taking a walk when he needed to come up with fresh ideas. Also, a group of researchers compared people trying to think of new ideas while they were walking or sitting. They found that creativity levels were much higher for those walking compared to those sitting. Therefore, the next time you need a creative idea, why don't you try taking a walk? I'll be back with another insightful tip tomorrow. Stay tuned!

5번 다음을 듣고, 남자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

M: Hello, students. I'm Mr. Park, your vice principal. It has been only two weeks since the first-floor bathroom renovation was finished. This morning I found that the floor was littered with toilet paper and someone had scribbled on the wall. You should remember the bathroom is a public facility. I know you take good care of your classrooms. I want you to keep our bathrooms clean the same way. Thank you for your kind understanding.

6번 대화를 듣고, 여자의 주장으로 가장 적절한 것을 고르시오.

M: Emily, can I keep the book that I borrowed from you a few days longer?

W: Sure. It's a good book, isn't it?

M: I love it, but it's taking me a long time to read it. I wish I read faster.
Maybe I should sign up for a reading program.

W: Hmm.... I don't agree with you.

M: Why not?

W: Well, I think you should focus more on comprehension rather than on speed. The point of reading books isn't how fast you read them.

M: That makes sense.

W: As long as you don't have any problems understanding the content, why bother trying to read quickly? Try to concentrate on understanding the content.

M: Okay. Thanks for the advice, Emily.

7번 대화를 듣고, 남자의 의견으로 가장 적절한 것을 고르시오.

M: Julia, I've noticed that you've been less talkative recently. Is everything okay?

W: Not really, Dad. I've been feeling stressed these days. You know, a lot of homework and preparing for the exam.

M: That's what I thought. I've been thinking about what could help you with your stress. How about drawing?

W: I've never thought about it before. Why do you recommend doing that?

M: It's because drawing helps you reduce stress.

W: Really? How so?

M: It's known that the activity of drawing can lower the levels of stress hormones in our bodies.

W: Oh, I didn't know that.

M: There's more. Drawing is also helpful for relieving stress because it lets us express our feelings.

W: That makes sense. Sometimes it's hard for me to express negative emotions. I think drawing could help.

M: You should try it out.

8번 대화를 듣고, 두 사람의 관계를 가장 잘 나타낸 것을 고르시오.

M: Hello. How can I help you?

W: Hello. I'm wondering if you could repair my high heel shoes.

M: Oh, the heel is broken. Sure. I can replace it with a new one.

W: Great. It broke when my shoe got stuck in a manhole cover. And I fell down.

M: Oh, no. Did you get hurt?

W: No. I was pretty embarrassed though. How much is it to repair it?

M: It costs 10 dollars. And it'll take about two hours. I'm quite busy right now with previous orders.

W: That's okay. I need to go to the post office anyway.

M: If you leave your number, I'll give you a call as soon as it's ready.

W: Perfect. Here's my number. Thank you.

M: Sure. Follow my instructions.

W: It arrived this morning. I put it in the refrigerator.

M: Great. Oh, we need to pick up birthday balloons from the party shop.

W: No worries. They'll be delivered soon.

M: Then I should go and pick up my parents at the train station.

W: Good. Oh, I forgot to buy some drinks. Can you buy some on the way back home?

M: I'll take care of that. See you soon.

11번 대화를 듣고, 남자가 야구 경기를 보러 갈 수 없는 이유를 고르시오.

W: Oh, if you're busy, we can talk later.

M: No, I'm not. I've just finished shopping for ingredients for my restaurant. We can talk now.

W: Okay. The Hawks baseball team has a game at 6 p.m. next Tuesday. Do you want to go with me?

M: I'm afraid I can't. I have something else I need to do.

W: I thought your restaurant was closed every Tuesday. Did you change the schedule?

W: Okay. *[Pause]* The length of the sleeves is perfect now. Thanks. How much is it?

M: It's 30 dollars.

W: Could I have these shirts dry cleaned as well? I have four shirts in total.

M: Yes. Each shirt costs 3 dollars to dry clean.

W: Great. Is it okay to pay for the shirts in advance?

M: Sure. Why not?

W: Then I'll pay for the coat and the shirts with a credit card now.

M: Thank you. Here's your receipt. You can pick up your shirts after 5 p.m. tomorrow.

W: Okay. I'll stop by then.

13번 대화를 듣고, Napoli Kitchen에 관해 언급되지 않은 것을 고르시오.

W: Honey, let's go out for lunch. How about going to Napoli Kitchen?

M: Napoli Kitchen? I've never heard of it.

W: Well, it opened in 2021. It has started gaining popularity recently.

M: Aha. It must be Italian.

W: Right. The restaurant serves authentic Italian cuisine. It has three cooks who are all native Italians. They're incredibly passionate about their food.

M: Great. I'd love some real Italian pizza. Is it far from our house?

W: Not really. It's a 5-minute drive. It's next to Benny's Bakery on Oak Street.

M: I see. It's almost 10 now. Let's have an early lunch.

W: Well, their business hours are from 11 to 9. We'll have to wait a little.

M: Then I think the timing would be perfect if we do the laundry before we go.

W: Okay. Let me bring my dirty clothes down.

W: I don't think we can spend more than 150 dollars.

M: I agree. What about the color? Do you have any preference?

W: Hmm, I don't like black.

M: Me neither. Do you think we need a flash function?

W: Yes. I heard it's necessary.

M: Okay. Then, we have two choices.

【19-20】 다음을 듣고, 물음에 답하십시오.

W: Good morning, class. You need to present your project next week. Today I'd like to introduce you to some types of visual aids that can make your presentation more effective. The first one is whiteboards. Whiteboards are a great aid when you have to explain complex ideas like putting difficult words in context or showing the steps in a process. Handouts are also powerful aids. If you give your audience key information on printed paper, they'll understand you more clearly. Video clips can be a great tool as well. They're effective in engaging your audience and they also add variety to your presentation. Lastly, try to use charts. There are many types of charts, so choose the most suitable one to convey your points. Keep these in mind to help you make a great presentation next week.

19번 여자가 하는 말의 주제로 가장 적절한 것을 고르시오.

20번 언급된 도구가 아닌 것을 고르시오.
